MEMORANDUM FOR: Chiefs, All Staffs and Divisions

SUBJECT: Procedures Relative to DD/P Ceiling Control

1. The Chief of Operations, DD/P, has approved the following plan as the most efficient approach to bring on-duty strength in line with authorized ceiling:

- a. Continue to hire clerical personnel.
- b. Permit the entry on duty of applicants to whom official notifications have already been sent.
- c. Defer for a minimum of 60 days additional commitments to applicants now in process.
- d. Suspend for a period of 120 days the entry into the Clandestine Services Career Service of those professional personnel now in other career services, except JOT's.
- e. Restrict the assignment of DD/I and DD/S professional personnel to the DD/P to a one-for-one exchange basis for a period of 120 days.
- f. Phase the recruitment of junior professional operational personnel so as to restrict their entrance on duty to the fall period when accessions will probably be at a lower rate.
- g. Limit the recruitment of professional personnel, grade GS-12 and above, to those individuals specifically approved by COPS-DD/P.

JOT's

2. In addition, the Chief of Operations has authorized the Director of Personnel to suspend further entrance on duty notifications until further notice.
